Showers are provided at Carmichael Gym, located on the map below. If you want any help getting there please contact an NC State Forestry Club member and we will be glad to help. The GYM is 2.3 miles from the camp grounds. If you need a shuttle please ask one of us.

**GYM Hours**: 6AM to 11PM on Thursday, 6AM to 9PM on Friday and 9AM to 7PM on Saturday. Sunday the GYM doesn’t open until noon.

**Procedure**: Go to entrance. A person will be checking identification. All ASFC Conclave registered participants will be admitted with a picture ID with your name on it. They will check your name on the list. Bring your own towel (they will not have towels for you.) If you did not bring a towel to Raleigh we will supply one, ask Mike, Victor or any NC forestry club member. Please return towel when done.

**Safety**: While the vast majority of NCSU students are honest there is still that small minority who are not. So, it is best to have someone watch your valuables while you are in the shower.

**Parking** after 5PM week days or on Saturday is permitted in any legally marked space.
